

1 Salad

Concerning the proposal from Ghomeshi et al. (2004). What differentiates the ones in (1) from those in (2) (that is, in what way would they predict these judgments)?

- (1) a. These aren't PAPER-papers.
- b. Those aren't COW-cows.
- (2) a. * She's not a GAME-gamer.
- b. * He's not a TEACH-teacher.
- c. * Those aren't OX-oxen.
